

**PARENTAL PERMISSION FORM FOR PHOTOS, VIDEOS,
INTERVIEWS AND WEB PUBLICATION**

GENERAL MEDIA AND SCHOOL COVERAGE:

Throughout the year there may be in-school and/or school-sponsored programs, events or meetings that may be open to the public and where large group photographs or videotapes will be taken by the media or school staff. In these cases, students would NOT be identified by name. Your consent to these types of group photographs or videotapes is assumed, UNLESS YOU NOTIFY THE SCHOOL IN WRITING that you do not want your child included in such photographs or videotapes.

SPECIFIC MEDIA AND SCHOOL COVERAGE:

In addition to the above situations, there may be times the media (newspaper, television or radio) or school staff, with the approval of the building principal, may take photographs, audio/videotape students or interview students in a manner that would individually identify a specific student. The school may display student pictures and projects in a variety of ways that reasonably portray school programs, including pictures of field trips, science fairs, and other activities appearing in yearbooks or school publications. Student likeness and work may also appear on the school web site, thereby making it available to anyone with Internet access. Again, your consent to these types of individual and group photographs or videotapes is assumed, UNLESS YOU NOTIFY THE SCHOOL IN WRITING that you do not want your child included in such photographs or videotapes.

I further release the Richmond Consolidated School and any of its employees or agents, from any compensation or damages in its use of photographs, audio/videotapes or interviews for school dissemination via the web site, print or the media's use of same. I do further certify that I am of full legal capacity to execute the above authorization and release.

By signing, I certify that I have read and understood the RCS PARENTAL PERMISSION FORM FOR PHOTOS, VIDEOS, INTERVIEWS AND WEB PUBLICATION
