

Dear Parents,

This is a self screener for each child who attends RCS: Each day please make sure you are able to answer true to the following 3 questions before sending your child to school:

- 1) I am NOT experiencing any flu-like symptoms such as fever (100°F and above) or chills, cough, shortness of breath, sore throat, fatigue (in combination with other symptoms), headache (in combination with other symptoms), muscle/body aches, runny nose/congestion(in combination with other symptoms), new loss of taste or smell, or nausea, vomiting or diarrhea.
  
- 2) In the last 14 days, I have NOT had “close contact” with an individual diagnosed with COVID-19. “Close contact” means living in the same household as a person who has tested positive for COVID-19, caring for a person who has tested positive for COVID-19, being within 6 feet of a person who has tested positive for COVID-19, or coming in direct contact with secretions (i.e. sharing utensils, being coughed on) from a person who has tested positive for COVID-19 while that person was symptomatic.
  
- 3) I have NOT been asked to self-isolate or quarantine by my doctor, or a local public health official.

If you have any questions please call the school 413-698-2207
